

# 2018-2019 EMERGENCY School Closure Plan

## Deer Park High School

We must have an "Emergency School Closure Plan" in place in the event of an early school closure, or in the event of a school emergency.

- This "Emergency School Closure Plan" is good throughout the duration of your student's school years at DPHS. Any updates will need to be made by you, the parent/guardian. If you ever need to update this information, forms may be obtained at the Deer Park High School's Main Office, or in the Counseling Center.
