March 5, 2019

Dear Parents/Guardians:

To fulfill Washington and the Deer Park School District's graduation requirements, Deer Park High School created our Stag's LEAP advisory program based on the state of Washington's *Career Guidance Washington* curricula. About once a month your teen meets with a teacher/advisor and classmates in an advisory class. On March 27th or 28th, all students are **required** to hold a Student Led Conference (SLC) where parents, students, and teacher/advisors review students' High School and Beyond Plans. These plans follow a Technical/Military, Two-Year College, or Four-Year College Pathway based upon students' career goals.. These plans are also a record of students' graduation requirements, classes taken, and classes to be completed in order to meet students' career goals. Parents also may meet with classroom teachers after 6:00 PM each day.

Here is what will be discussed at your teen's Student Led Conference.

1. Graduation Requirements
2. High School and Beyond Plan
3. Future plans

In addition, parent/guardians of seniors will discuss the ways DPHS supports students' goals of completing their FAFSA and higher education applications.

This year Student Led and Classroom Teacher Conferences are the afternoon and evening of Wednesday, March 27 and all day on Thursday, March 28. There is no school on Friday, March 29. To assist you in scheduling a conference time with your teen's advisor we have included a schedule of conference times. Please designate your first, second and third choices on the back of this page and have your teen return it to his/her advisor. Times will be scheduled on a first come, first served basis. If your selected times are not available, the advisor will contact you to schedule another appointment. If you need to contact the school, please call 468-3500 and state the name of your child's advisor.

Sincerely,

Deer Park High School Principal

## Home of the Stags

Please mark your preferred times to attend a Teacher Led Conference with 1, 2 and 3 and then have your child return this form to their advisor.  
Thank you.
