

## Conveniences for You While We're on Summer Break!

With the convenience of technologies – You can print schedules at home on your own computer! No need to shorten your summer break by coming into the school!

All Returning DPHS Student's (including All incoming Grade 9 Students from the Middle School) can print off their 2019-20 schedule right at home from Skyward!

When in Skyward – You can view your Locker # and Combination, too!

(Watch for 2019-20 schedules to be on Skyward in August)

No home computer, no worries! Stop in and print your son/daughter's schedule in the HS library beginning August 21st or wait until the first day of school.

The first day of school – Students without schedules will check for their last name (by grade) on the HS Library window and report to the listed Period 1 class. Students will get their complete schedule in their Period 1 class along with important papers that need to be signed and returned day 2 of school!
