STAGS LEAP: Skills Reflection

It is easy to get an idea about a career by what we see on television, what we know about it already or what other people tell us. However, when you get down to the nitty gritty, we may not know enough about the career to really decide on whether it is a good fit. For example; if you prefer to work with people but then you choose a career where you will work alone, that would not be a good fit. This exercise focuses on skill sets that you favor.

After you complete the Skills Self-Assessment, please answer the following:

1. What are the six skills you selected that were most important to you (hit "review answers" to go back to the skill sets)?

2. Name four skills that you did NOT end up using at all that were left on the left side of the chart:

3. Identify the TOP TWO Career Clusters that match your skill sets:

4. Identify the TOP FOUR Careers that match your skill sets:

5. Did these surprise you? YES NO

6. Do any of these careers interest you? YES NO

7. Click "see all careers" under the the Top Careers results. Favorite (heart icon) at least TWO careers that interest you. List them below:

8. What was your highest skills rating personality type? _____
