Monday June 22, the virtual ceremony, as well as diploma cover pick up can be observed on YouTube or downloaded on the Counseling website.

Please be aware that only students may exit the car. Mr. Snyder will be there to let you know when to leave the car and proceed.

Students will be asked to take a diploma cover from the table and proceed to the picture area. Spokane Regional Health has determined that school officials can not shake hands with the students or touch the diploma covers. This is why the students must pick up the diploma covers from the table.

After the picture, students will be presented with a senior gift bag. The gift bags will be on a table near the parking lot. After receiving the gift bag students should return to the car and leave the campus.

We apologize in advance for all the rules, but it is the only way we were able to see each student in person and get a picture.

See you on June 13th.

Leo's Photography will be at the High School on Graduation day, June 13th to take pictures of Graduates receiving their diploma with Mr. Feist. Each graduate will receive (2) 5x7 complimentary photos, courtesy of Deer Park High School. The photos will be mailed directly to each graduate. If you wish to order more photographs, please contact Leo's directly @ leospotography.com (envelope number gra191124).

Seniors: Please come to the High School on Monday, June 15th between 8:00 a.m. and 3:00 p.m. to pick up your Diploma and Certificate of Immunization (CIS) form. Make sure to check Skyward for any fines you may have. Fines will need to be paid before release of your diploma.
