March 10, 2021

Dear Parents and/or Guardians:

To support your teen's effort to set and achieve his or her higher education and career goals, Deer Park High School implemented our Stag's LEAP advisory program based on the state of Washington's *Career Guidance curricula*. About once a month your child meets with a teacher/advisor and classmates in an advisory class. As part of that curriculum, all students are **required** to prepare their High School and Beyond Plans. In addition, all students are **required** to hold a Student Led Conference (SLC) so that they can explain their future plans for next year and years to come. These plans follow a Technical/Military, Workforce, Two-Year College, or Four-Year College Pathway based upon students' career goals. Your participation is essential.

Here is what will be discussed at your teen's Student Led Conference:

- Graduation requirements
- High School and Beyond Plan
- Future plans

In addition, parents/guardians of seniors will discuss the ways DPHS support students' goals of completing their FAFSA and higher education applications.

This year SLCs are the afternoon and evening of Wednesday, March 31 and Thursday April 1. There is no school on Friday, April 2. To assist you in scheduling a conference time with your teen's advisor, we have included a schedule of conference times. Please designate your first, second and third choices on the back of this page and have your teen return it to his/her advisor. Times will be scheduled on a first come, first served basis. If your selected times are not available, the advisor will contact you to schedule another appointment. If you need to contact the school regarding SLC appointments, please call 468-3500 and state the name of your teen's advisor.

Sincerely,

Andrea Bickley
